

Alaska Postsecondary Access and Completion Network Membership Application

Instructions: Fill out the membership application form below and e-mail it to 65by2025@gmail.com. Once your application has been received, reviewed and approved by the Board, you will receive a confirmation e-mail message indicating the status of your membership.

Voting membership in the Alaska Postsecondary Access and Completion Network (the Network) is open to any Alaska resident individual or any Alaska-based organization engaged in advocacy and support of postsecondary access and success. Membership is granted by majority approval of the Board of Directors after completion and receipt of a membership application.

Membership categories are mutually exclusive. Members may be recognized in one of the two categories listed below. For example, a person granted an individual membership cannot also be granted membership through their organization.

(a) **Individual members:** shall be granted one vote in matters coming before the Network membership

(b) **Organization members*:** shall be granted two votes in matters coming before the Network membership

**Individual college campuses within a University system, schools within a school district, or departments and agencies of the State of Alaska may be considered separate organizations, subject to receipt of separate organization membership applications.*
